Competitive Strengths

Diversified Portfolio

Comprehensive EPC and O&M services across Telecom, Renewable Energy, Railways, Data Centers, and Defence, reducing sector-specific risks

Technology-Driven Innovation

Strategic partnerships for eco-friendly BESS and adoption of advanced technologies (e.g., CNC lines, galvanizing plants) for operational excellence

Proven Execution Excellence

14+ years of delivering complex projects on time, backed by ISO 9001:2015 certification and a skilled workforce of 2500+ employees

Sustainability Focus

Leadership in green solutions (Solar IPP, BESS, AAC Blocks) aligns with global & national sustainability goals

In-House Manufacturing

Integrated production of telecom towers, solar MMS, AAC Blocks, LED lighting, & BLDC motors ensures cost efficiency, quality control, & supply chain reliability

Strong Client Relationships

Trusted by industry leaders like Reliance Jio, Airtel, BSNL, MAHAGENCO, and BHEL, with a track record of delivering 11,000+ telecom towers

PAN-India Presence

Extensive reach with manufacturing facilities in Andhra Pradesh and Telangana, enabling scalability and rapid project execution

Robust Order Book

Strong and diversified order book across business units and geographies, ensuring sustained revenue growth

THE FUTURE FORWARD

Horizon 2030 - Charting a Billion-Dollar Vision

Vision 2030 Charting Sustainable Growth

Vision 2030 – Five Pillars

01

Achieve 25 GW renewable energy capacity

02

Strengthen telecom leadership for Digital Bharat & 5G expansion

03

Enhance railway modernization with safety and efficiency

04

Scaling up data centres services to power the digital economy

05

Expand in defence for national self-reliance

Become USD 1 Bn Revenue Company

Data Centre

Business Approach

- Leveraging telecom experience by upgrading and upscaling knowledge and capacity
- Successfully managing Microsoft data centre facility in Hyderabad
- Forays into information systems and data centre services by collaboration

Robust roadmap in place for establishing data centres through EPC / BOO model

Data Centers:

Preventive, corrective, predictive maintenance to ensure uptime, prevent outages, extend infrastructure lifespan, comply with standards, and optimize performance/energy efficiency

Strategic Entry into the Defence Sector

Technology-Driven | Innovation-Focused | ATMANIRBHAR BHARAT Aligned

A **technology-led company** specializing in **Structural, Electronics, and Electromechanical Systems**

Established with a clear vision to **diversify into the Defence sector**, supporting India's armed forces and DPSUs in line with the **Atmanirbhar Bharat** mission and **Government of India's export goals**

Robust in-house capabilities spanning advanced infrastructure, pan-India field operations, NABL-accredited testing, dedicated R&D across structural, electronics, and electromechanical systems, and a highly skilled engineering workforce

Strategic Focus Areas

- Acquisition of **established defence ancillaries/start-ups** in strategic areas for inorganic growth
- Collaborations with **Indian defence majors, DPSUs, and DRDO labs**
- Partnerships with **global OEMs** for **technology transfer** and **joint manufacturing under Transfer of Technology (ToT)**
- Delivering value through **quality, competitiveness, prompt delivery, safety, and trust**

Vision 2030

Land Systems

Armoured vehicle structures, assemblies, subsystems

Aerospace & UAVs

Aero structures & applied composites, electronics, ground support equipment

Naval Systems

Energy Storage systems for marine applications, composites/ carbon fibre structures

Electronics & Avionics

Circuit design, ruggedized assemblies, embedded systems

Defence Infrastructure

Heavy erections, maintenance, and testing services

Exports

Integration into global OEM supply chains through offset programs

Vision

To become a **leading defence engineering, manufacturing, and services partner by 2030**, playing a pivotal role in **India's self-reliant defence ecosystem** and contributing to the **global defence supply chain**, with strong revenue growth from both **domestic and export markets**
